These scores were generated by computer program, and went astray.

They are not humanly playable in pure form, but they might be fun to engage with nonetheless.
Music engraving by LilyPond 2.18.2—www.lilypond.org
artist melody model output durations wrong
ledger line mismanagement

Do a dear a fe male deer
Re a drop of gold en sun

Mi a name I call my self
Fa a long long way to run
A scale in LilyPond
